25. Social-Emotional Learning (SEL) Definition: Psychologists in the 1980s found that attributes like self-restraint, persistence and self-awareness might actually be better predictors of a person's life trajectory than standard academic measures.

Positive Psychology in the Classroom | Psychology Today

Psychology Theories and Thinkers . Some of the most famous thinkers in psychology including Freud, Erikson, and Piaget have proposed theories to explain various aspects of development, behavior, and other topics. While some theories are no longer popular, it is still important to study the effect that these ideas had on psychology.

Classroom Activities and Two-Day Lesson Plans

Man's Search for Meaning by Viktor E. Frankl. Paperback | Kindle | Audio. I can't imagine a list of the best psychology books not including Frankl's classic. I first read Man's Search for Meaning in my early 20s. But it didn't mean anything to me until rereading it in my mid-30s. Frankl's observations as a captive in a Nazi concentration camp during World War II are instructive for ...
