is a comprehensive compilation of the
best articles, questions and answers
from the Catholic Answers website. With
it, I can now refute with greater

Catholic Church such as the "worship" of

All the "Essential Handbooks" are great (I also own the Lenten Handbook and the Catholic Handbook). They are very prettily typeset and all have lovely covers. The prayers include some you are bound to know, plus many, many new ones. I like that there is a good mix of short prayers and longer devotions.
